

AIC Imaging Working Group (IWG)

IWG Meeting Agenda

Monday, February 28, 2022, 11:00am-12:00pm ET

1. **Welcome Remarks, 5 min**
2. **Breakout Room Introductions, 5 min** – We will start with small breakout groups with the aim of creating and building the imaging community. Use this opportunity to greet some new people or say hello to a familiar face. Consider sharing the following about yourselves:
 - Name, title/field, location, institution
 - What's your favorite thing about February?
3. **Topic Group Presentations, 40 min** — These short presentations will give the topic groups the opportunity to share what they have been working with the broader IWG. A team lead from each group will do a short presentation (5 min) on the groups progress highlighting work and plans for the [Imaging Wiki](#). This is an opportunity for IWG to provide feedback and maybe get more involved.
