

## AIC Imaging Working Group (IWG)

### January 2021 Topic Groups Meeting Agenda

Friday, January 15, 2021, 11:00am-12:00pm ET

Topic Groups: RTI, 3D Imaging, IR Imaging

Monday, January 25, 2021, 11:00am-12:00pm ET

Topic Groups: VIS, UV Imaging, False Color Processing, X-ray

1. **Welcome Remarks, 5 min**
2. **Breakout Room Introductions, 5 min** – Since the group will be too large to do an around-the-room introduction, we will all briefly meet a small random selection of colleagues using Zoom breakout rooms. Use this opportunity to greet some new people in the imaging community. Consider sharing the following about yourselves:
  - Name, title/field, location, institution
  - Why you are interested in participating with the IWG
  - Best thing that has happened so far in 2021
3. **Overview of the AIC IWG and the Imaging Wiki, 5 min** — Brief review of the working group and the Imaging Wiki.
4. **Topic Group Breakout Rooms, 30 min** — The topic group meetings will be held in different breakout rooms. Participants can self-select a breakout room to attend the topic group meeting of their choice. **\*\*Participants will need to be on Zoom 5.3.0 or later to self-select breakout rooms during the meeting.\*\*** These breakout sessions will be run by the Topic Group Team Leads.
  - Friday, January 15 Topic Groups: RTI, 3D Imaging, IR Imaging
  - Monday, January 25 Topic Groups: VIS, UV Imaging, False Color Processing, X-ray
5. **Closing, 15 min** — Everyone will return back to the main Zoom room from the topic group breakout rooms. There will be time for questions, announcements and closing remarks.
  - Information about meetings can be found on the Imaging Wiki ([http://www.conservation-wiki.com/wiki/IWG\\_Meetings](http://www.conservation-wiki.com/wiki/IWG_Meetings)).
